Dear Mr. Schell:

Tidewater Environmental Services Inc. (Tidewater) would like to thank you for the receipt of your signed petition requesting Tidewater to provide wastewater service to your property, parcel number 532-21.00-3.00 located in Sussex County.

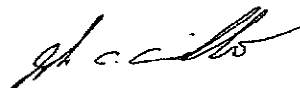

Tidewater will be submitting an application for a Certificate of Public Convenience and Necessity (CPCN) with the Public Service Commission (PSC) on or around October 18, 2009. Included with this letter is information that we are required to provide to all landowners within a proposed service territory prior to filing the application for a CPCN.

When the CPCN is granted, Tidewater will have the permission to provide public wastewater service to your parcel. It is important for you, as the landowner, to know that when wastewater service is made available to your parcel you are not obligated to connect to our wastewater system as long as your current wastewater system is functioning properly. If you agree to have your property be part of this proposed service area, no action on your part is required at this time.

Tidewater understands that customer satisfaction and quality water are the foundation of our business. In 2007 Tidewater was awarded the Torch Award by the Delaware Better Business Bureau for our Marketplace Ethics. Tidewater a part of Middlesex Water Company was recently named one of America's 100 most trustworthy publicly traded firms according to Audit Integrity, Inc. In addition, Tidewater was voted Best Tasting Water in 2007 by Delaware Rural Water Association.

If you have any questions in regards to this matter please feel free to contact me at 1-800-523-7224 ext. 1014.

Sincerely,

Joseph C. Cuccinello
CPCN Coordinator

- (1) Pursuant to Title 26, § 203D(d)(2) of the Delaware Code, an application for a Certificate of Public Convenience and Necessity (CPCN) will be submitted to the Delaware Public Service Commission on or about October 18, 2009. If you agree to the inclusion of your property in the proposed service area, no action on your part is required. - (2) Under Delaware law, the Public Service Commission cannot grant a CPCN to Tidewater Environmental Services, Inc. if a majority of the landowners in the proposed wastewater service area object to the issuance of the CPCN. If you object to the issuance of a CPCN for the proposed area that includes your property, you must notify the commission, in writing, within sixty days of your receipt of this notice or within thirty days of the filing of the complete application for the CPCN, whichever is greater.
